

DISTINGUISH

Students' days were filled with tests, studying, and notes. But the afternoons were filled with fun clubs and activities. Lee's Clubs succeeded in reaching all corners of campus and getting all students involved with a variety of choices. Student Council President Logan Mendez held another great Homecoming Dance with a theme of Under the Sea. PALS delivered Valentines Day Balloons with the ALE students. Skye McDonald, Ryan Crim, and Elise Woods brought the school to their feet with their strong performances of their Winter Musical '9 to 5.' Band went further in UIL than ever before in our school's history.
