

2024 City of San Antonio Bus Parking Options

It is recommended that parking be arranged 48-hours in advance as permit requests can take up to 48-hours.

For downtown San Antonio bus parking permits, first, find out which hotel you will be staying at and whether they provide on-site parking. If they do not provide on-site parking, please have the hotel contact **Ruben Abrego** at the **TCI Right of Way Office**, Monday – Friday from 7:00 am to 4:00 pm ONLY. You may reach Ruben by cell at (210) 542-8921. Ruben will find a parking space for you and then you will need to pick up the permit at the downtown office located at:

TCI Right of Way Offices

Counter 18
1901 South Alamo
San Antonio, TX 78205

Please have the following information available when contacting Ruben:

- Name of the street and both cross streets that it intersects.
- The type of vehicle going to be parked at the location, e.g., Bus, Truck, etc.
- The dates for which you are requesting the parking permit.
- Name of applicant.
- Meter # if reserving parking meter(s).
- Type of loading zone (i.e., Commercial, Passenger).
- Contact the Right-of-Way Management Division at 210.542.8921 to request a temporary parking permit.

Teams can also contact Jerry Gonzales, with San Antonio ISD, at (210) 643-2809 to secure parking at the Alamo Stadium.

- This lot is near Trinity University just North of Downtown.
- Teams must call in advance if they wish to use the parking.
- SAISD is not liable should anything happen to the buses, as there is not security watching the parking lot at night.
